Intro-G-C-D-G

```
                                        C
Far across deep blue waters - lives an old German's daughter
          D             D7          G
On the banks of the old river Rhine
                                      C
There I loved her and left her now I can't forget her
D             D7        G
I miss my pretty fraulein

                          C
Fraulein, fraulein look up toward the heavens
        D                     D7            G
Each night - when them stars start to shine
                                      C
By the same stars above you - I swear that I love you
D               D7         G
You are my pretty fraulein

Break - G-C-D-G …. G-C-D-G

                                    C
When my memories wander - away over yonder
          D                D7       G
To the sweetheart that I left behind
                                C
In a moment of glory - Her face comes before me
        D            D7       G
The face - of my pretty fraulein

                          C                              D                D7            G
Fraulein, fraulein look up toward the heavens - Pretend that your hands holding mine
                                    C                          D               D7       G     D G
By the same stars above you - I swear that I love you - You are my pretty fraulein
