

Fourteen Gears Chords And Lyrics By Midland

Drop D Tuning (optional)

Intro - A - G - D - A - G - D

And darlin' I still hear your name

Em

Through the windshield wipers and the drivin' rain

G

D

I'll be crossed the rocky mountains in the mornin'

And it's one too many lonely nights

Em

When the highway comes to be the way of life

G

D

Seems like about the time I'm gettin' near I'm goin'

Em

Hear that Peterbilt whine down the solid white line

G

A

Don't make no money if I don't make it there on time

D

Em

Houston Dallas San Antone wind it up until I'm home

Em

D

I've got fourteen gears to get you back in my arms

Break - A - G - D

But if I know that you'll be waitin' there

Em

Then you know that's a weight girl that I can bare

G

D

I can see your face in the headlights lonely glaze

With the big ol' moon steady on the rise

Em

And the hammer down across the great divide

G

D

I'll be pushin' through till I'm back where I belong

Em

Hear that Peterbilt whine down the solid white line

G

A

Don't make no money if I don't make it there on time

D

Em

Houston Dallas San Antone wind it up until I'm home

Em

D

I've got fourteen gears to get you back in my arms

Bm

A

G

To watch the sunset on the west Arizona sky

Bm

A

G

A

To feel the cool wind on a cold El Paso night

Em

Hear that Peterbilt whine down the solid white line

G
