Intro - C

```
  C                                  F      C
If I could make a livin' out of lovin' you
                              G         C
I'd be a millionaire in a week or two
                                  F              C
I'd be doin' what I love and lovin' what I do
                                   G      C
If I could make a livin' out of lovin' you

F                                      C
Early every morning when the sun comes up
        G                              C
I'm punching that clock on the wall
F                              C
Breakin' my back just to make a buck
D                            G
Wishing I was in your arms
```

Break - C-F-C-G-C

```
          F                          C
I could work all day and feel right at home
G                  C
Lovin' that 8 to 5
         F                            C
And never have to leave you here alone
D                            G
When I'm workin' overtime
```

```
 C                                F      C
If I could make a livin' out of lovin' you
                              G         C
I'd be a millionaire in a week or two
                                 F               C
I'd be doin' what I love and lovin' what I do
                                  G      C
If I could make a livin' out of lovin' you
