

1972

Tab Chords And Lyrics

By Jake Owen

Intro – D – G – A- G -D -- (Drop D tuning)

D G

1972 - Daddy drove a Nova it was sky blue

A

G

D

He worked at a record store after school called sympathy for the vinyl

G

1972 turntable in the basement, made you cool

A

A hippie girl couple cold beers spinning tunes

G

D

You got your own rock n roll revival

A

G

Girl you know they did it right - So come on over tonight

D

I'm gonna rock you like Zeppelin and roll you like The Stones

G

Blow out them speakers in my old headphones

Bm

A

G

C

G

Gonna fly like an eagle when I drop a needle in the groove

D

I'm gonna get them LPs down from the attic

G

With a pop and a hiss and a little bit of static

Bm

A

G

C G

We'll be chilling like a villain on some Dylan while we're killing some brews

A

G

D

We're gonna kick it like the kids did in 1972

G

So it'll just be me and you - playing air drums with The Who's Keith Moon

A

G

D

You know them good ones always die too soon - like Jimmy, Jim and Joplin

G

Yea, kicking back, cutting loose - sipping on Jack, that's what we do

A

It don't matter baby girl cause in a few

G

D

You're gonna hear heaven a knocking

Ch

Break-D-G-A-G-D ... D-G-A-G-D

CH

Yea, we're gonna kick it like the kids did in 1972
