

20 Flight Rock Tab Chords And Lyrics By Eddie Cochran

Capo on 2nd in G

G
Well I got a girl with a record machine
When it comes to rocking she's a queen.

C7
I took her to a dance on a saturday night

G
All alone where I can hold her tight.

D7 G
She lives on the twentieth floor uptown ...The elevator's broken down.

And I walk one, two flight, three flight four
Five six seven flight, eight flight more.

C7 G
Up on the twelfth I'm starting to drag-Fifteenth floor I'm ready to sag
D7 C7 G D7

I get to the top-and I'm too tired to rock.
G

You know she called me up on the telephone
Said come on ever baby 'cause I'm all alone

C7 G
I said baby you're mighty sweet-But I'm in bed with aching feet
D7 G

This went on for a couple of days- But I just couldn't stay away.

Ch

Break - G-C7-G-D7-C7-G-D7

G
Well it was sent to Chicago for repairs-Till it's fixed I'm using the stairs
C7 G

I hope they hurry, before it's too late-I want my baby too much to wait
D7

All this climbing is getting me down

G
They'll find my corpse drapped hanging over the rail.
