Things We Didn’t Know
Rodney Carrington

Capo 3rd fret = original key
Intro - D-G-A --- D-G-D

```
            D                                A
We were young when we first met - and I won't ever forget
Bm                                           G
The way you made me feel that night back then
D                      A                          Bm                          G      A
Little did I know - my life had changed forever - inside of you my angel had appeared
G                              A
All at once the baby came along
Bm                                G                  A
Everything was moving fast but nothing seemed wrong

                    D        A                                  Bm
Thank god for that - things we didn't know thank God for that
        G                    A                    D
If we did we might turn back thank God for that
                    A
He must have known that we weren't through
Bm                      G            A              D     G   A
God gave me all I need - when he gave me you

        D                                          A
We struggled the first few years - there was laughter there were tears
Bm                                       G
Through it all somehow we made it work
        D                          A
Our babies brought us joy - held us close together
Bm                                     G    A
What we didn't have we made with love
G                                   A
Sacrifice you gave when I was gone
Bm                              G                    A
Dreams you let me follow - always brought me home

Ch
```

G A Bm
Everything we have been through will bind our love forever
G A Bm
Not a day will ever pass - that we won't be together

D A
Here we are much stronger - than we've ever been before
Bm G
Our souls are sown together - and our hearts forever more
D A
I look forward to our future - And what our days shall be
Bm G A
Our kids our life our love- are all we'll ever need
G A
The mother that you are is made me proud
Bm G A
And the wife that you have been - I am so glad I found

Ch
G A D G D
God gave me all I need - cause he gave - he gave me you
