

Ain't Killed Me Yet

Eric Church

Capo on 3rd fret = original key

Intro - G-D ... (G-A G-A G-A G-A G-D x3)

A G
Workin' all this overtime - Is good at keepin' me occupied - Hell with the stress
D/Gb GA GAGAGA GD

It ain't killed me yet

A G
Doctor says I gotta quit - Get on the wagon and off of them - damn cigarettes
D/Gb GA GD

But they ain't killed me yet

C D C D
Doc you probably wonder why I don't care - Why I don't change, why I ain't scared

E A D A
'Cause I thought - her leavin' - Would stop my heart from beatin'

E A D
And gettin' over her - would be my death

E A D A
It hurts - every night - when she dances through my mind

E A D GAGAGAGAGD/Gb
I still feel the sting - of loneliness - But it ain't killed me yet

A G
She turned this house into a tomb - Ghosts rattle in every room, they're doin' their best
D/Gb GA GAGAGAGD

But they ain't killed me yet

A
So I lean on the bottle more every night

G
I'm probably past the point where I should give it a rest
D/Gb GAGAGAGAGD/Gb

But it ain't killed me yet

C C C D
No I ain't sayin' I'll never die - But till I do, I'm on borrowed time

E A D A
'Cause I thought - her leavin' - Would stop my heart from beatin'
