## Gold Watch And Chain

### Tab And Lyrics

By Larry Gatlin

G C G  
All the gold in California  
C G D  
Is in a bank in the middle of Beverly Hills in somebody else's name  
G C G  
So if you're dreaming about California  
C G  
It don't matter at all where you played before  
D G C G  
California's a brand new game

C G  
Trying to be a hero, winding up a zero  
C G D  
Can scar a man forever, right down to your soul  
G C G  
Living on the spot light - can kill a man out right  
C G D G C G  
Cause everything that glitters - is not gold
