

# Am I The Only One

## The Dixie Chicks

C F C  
There is no good reason - I should have to be so alone  
Am G F C  
I'm smothered by this emptiness - Lord I wish I was made of stone  
E F C  
Like a fool I lent my soul to love - And it paid me back in change  
F C G F C  
God help me - am I the only one who's ever felt this way?

F C  
A heart that's worn and weathered - would know better than to fight  
Am G F C  
But I wore mine like a weapon - played out love like a crime  
E F C  
And it wrung me out and - strung me out and it hung years on my face  
F C G F C  
God help me - am I the only who's ever felt this way?

Break - C-F-C-Am-G-F-C .... C-F-C-Am-G-F-C

G E F  
Now my sense of humor needs a break  
C F C  
I see a shadow in the mirror - and she's laughin' through her tears  
G  
One more smile's all I can fake

C F C  
There is a wound inside me - And it's bleeding like a flood  
Am G F C  
There are times when I see a light ahead - Hope is not enough  
E F C  
As another night surrounds me - And it pounds me like a wave  
F C G F C  
God help me- am I the only one who's ever felt this way?  
F C G F C G C  
God help me- am I the only one who's ever felt this way?
