

# Angels Flying Too Close To The Ground Chords And Lyrics By Allison Moorer

Capo 2nd fret --- Intro - D

D                    Gbm                    G                    D  
If you had not have fallen - I'd have never found you\  
G                    A7                    D                    A7  
Angel flying too close - to the ground  
D                    Gbm                    G  
And I patched up your broken wing - And hung around a while  
E7                    A7  
Trying to keep your spirits up - And your fever down  
D                    Gbm                    G  
I knew someday that you - would fly away  
E7                    A7  
For love's the greatest healer - to be found  
D                    GBm                    G                    Ddim  
So leave me if you need to - I will still remember  
D                    A7                    D                    A7  
Angel flying too close to the ground

D                    Gbm                    G  
Fly on - fly on past - the speed of sound  
E7                    A7  
I'd rather see you up - than see you down  
D                    Gbm                    G                    Ddim  
So leave me if you need to I will still remember  
D                    A7                    D                    A7  
Angel flying too close to the ground  
D                    Gbm                    G                    Ddim  
So leave me if you need to I will still remember  
D                    A7                    G                    D  
Angel flying too close - to the ground
