All I ever wanted to do was fly - Leave this world and live in the sky
Dbm Asus2 B E
I left the C130 out of Fort Worth town - I go up some days I don't wanna come down
Asus2 Dbm
Well I fly that plane - called the Angel Flight
Asus2 B E
Come on brother you're with me tonight
Asus2 Dbm
Between Heaven and earth - you're never alone
Asus2 B E B Asus2
On the Angel Flight come on brother I'm taking you home

E Dbm Asus2 E
I love my family and I love this land - But tonight this flight's for another man
Dbm Asus2 E
We do what we do because we heard the call - Some gave a little but he gave it all
Asus2 Dbm
I fly that plane - called the Angel Flight
Asus2 E
Come on brother you're with me tonight
Asus2 Dbm
Between Heaven and earth - you're never alone
Asus2 E
On the Angel Flight come on brother I'm taking you home
Asus2 Dbm
Come on brother I'm taking you home

Break - Asus2 - Dbm - Asus

E Dbm Asus2 B E
Well, the cockpit's quiet and the stars are bright - Feels kinda like church in here tonight
Dbm Asus2 B E
It don't matter where we touch down - On the Angel Flight its sacred ground
Asus2 Dbm
I fly that plane - called the Angel Flight
Asus2 B E
Gotta hero riding with us tonight

Asus2 Dbm
Between Heaven and earth - you're never alone
