A spaceman came traveling on his ship from afar
D A G A
'twas light years of time since his mission did start
Bm Gbm G Bm
And over a village - he halted his craft
D A G Bm
And it hung in the sky like a star - just like a star

Bm D A Bm
He followed a light and came down to a shed
D A G A
Where a mother and child were lying there on a bed
Bm Gbm G Bm
A bright light of silver - shone round his head
D A G Bm
And he had the face of an angel - and they were afraid

Bm D A Bm
Then the stranger spoke - he said do not fear
D A G A
I come from a planet - a long way from here
Bm Gbm G Bm
And I bring a message - for mankind to hear
D A G Bm
And suddenly the sweetest music - filled the air

G A Bm Gbm G Bm D A G A Bm Gbm G Bm
And it went la la la la la la la la la - La la la la la la ---- la la la la la la la la la
D A G Bm G A
Peace - and goodwill to all men - and love for the child
Bm Gbm G Bm D A G A Bm Gbm G D A G Bm
La la la la la la la la la - la la la la la la ---- la la la la la la la la la - ahhhhhhhhhh

Bm D A Bm
This lovely music - went trembling through the ground

D A G A
And many were awakened on hearing that sound

Bm Gbm G Bm
And travelers on the road - the village they found

D A G A Bm
By the light of that ship in the sky - which shone all around

Bm D A Bm
And just before dawn - at the paling of the sky

D A G A
The stranger returned and said now I must fly

Bm Gbm G Bm
When two thousand years of your time has gone by

D A G Bm
This song will begin once again - to a baby's cry

G A Bm Gbm G Bm D A G A Bm Gbm G Bm
And it went la la la la la la la la la - La la la la la la la ---- la la la la la la la la la

Or

(If singing with others)

Oh the whole world is waiting, waiting to hear the song again (la la la la la la la la la)

There are thousands standing on the edge of the world (la la la la la la la la la)

And a star is moving somewhere, the time is nearly here (la la la la la la la la la)

This song will begin once again - to a baby's cry
