Baby Blue
Lyrics And Tab
(By Badfinger)

(Capo on 2nd) - Intro - A

```
E                     D        A/Db
Guess I got what I deserved
G          D                A
Kept you waiting there too long, my love
E                          D    A/Db
All that time - without a word
G       D                        A
Didn't know you'd think - that I'd forget
    E
Or I'd regret
Bm                           D            A
The special love I had for you, my baby blue

E                         D   A/Db
All the days became so long
G         D                    A
Did you really think - I'd do you wrong?
E                       D   A/Db
Dixie, when I let you go
   G             D           A
Thought you'd realize - that I would know
E
I would show
Bm                            D             A
The special love I have for you, my baby blue
 Dbm       Gbm Gbm/F             Bm  Bm/A
What can I do,        what can I say
G          D              A
Except I want you by my side
Dbm    Gbm     Gbm/F            Bm  Bm/A
How can I show you, show me the way
G          D                      C
Don't you know the times I've tried?

BREAK  C - G - D - A - C - G - D - A

E                             D   A/Db
Guess that's all I have to say
G            D                   A
Except the feeling just grows stronger every day
E                          D  A/Db
Just one thing before I go
G           D             A
Take good care - baby - let me know
E
Let it grow
Bm                             D              A    Bm - G - D
The special love you have for me, my Dixie, dear.
