

Baby Don't Cry

Curtis Grimes

Intro - C-F ... C-F

C

I know it's been one of those run ya down kick ya 'round kinda days

G

You've been puttin' on shuttin' up holding back girl but your dam's about to break

F

C

So come on over, lay your head on my shoulder

G

F

Go on and get it out let it out-- scream it out if you need to, need to

G

C

G

But baby don't cry - You know I can't take it when I see those tears fallin' off your

F

Face gotta find a way to bring back

C

G

C

Those dimples when you smile 'cause it makes my day and tonight

G

F

Gonna wrap you up baby gonna rock you 'til your tears run dry - and I'm

G

C

Gsus

G

Gonna make it all alright - So baby don't cry - don't cry

C

Honey I'm wishing right now somehow there was a way

G

To make every little care that you have in this world just stop and go away

F

C

I could pour you - a glass - to sip in a bubble bath

G

F

All surrounded by candles let me handle all the rest just close your eyes

Close your eyes
