

Bad Timing Blue Rodeo

Capo 2nd fret (optional)

Intro - D-C-D-G

C G
Hey it's me what a big surprise - calling you up from a restaurant around the bend
C G
I just got in from way up North - I'm aching tired now - and I could use a friend
Bm C D
I might be a fool - to think that you do want to see me again

C
I know its been awhile since I talked to you
G
Nothing wrong just nothing ever goes as planned

C G
Many times I thought I'd call - I didn't have your number in my hand
Bm C D
Well I know it's true - you'd never do the same thing to me

G C
I never meant to make you cry - And though I know I shouldn't call
Am D G
It just reminds us of the cost - Of everything we've lost - Bad timing that's all

C
And maybe soon there'll come a day - when no more tears will fall
Am D G
If we each forgive a little bit - and we both look back on it - as just bad timing that's all

Break - C-G-C-G-Bm-C-D

C G
We used to have so many plans - something always seemed to turn out wrong
C G
I never could catch up to you - moving on and doing all you've done
Bm C D
I don't know why - the harder I try - the harder it comes

Ch
Am D G
If we each forgive a little bit - and we both look back on it - as just bad timing that's all
