

Barrytown Chords And Lyrics By Steely Dan

Intro – A

A Bm D E A
I'm not one to look behind I know that times must change
 Bm D E A
But over there in Barrytown they do things very strange
 Gbm Dbm
And though you're not my enemy
 D A/Db Bm E
I like things like they used to be
 A Bm D A/Db Bm
And though you'd like some company I'm standing by myself
 D A/Db Bm
Go play with someone else
 Gbm D A/Db Bm E A
I can see by what you carry that you come from Barrytown

A Bm D E A
Don't believe I'm taken in by stories I have heard
A Bm D E A
I just read the Daily News and swear by every word
 Gbm Dbm
And don't think that I'm out of line
 D A/Db Bm E
For speaking out for what is mine
A Bm D A/Db Bm
I'd like to see you do just fine but look at what you wear
 D A/Db Bm
And the way you cut your hair
 Gbm D A/Db Bm E A
I can see by what you carry that you come from Barrytown

F Am A+
In the beginning we recall that the word was hurled
F Am A+ A (Intro)
Barrytown people got to be - from another world

A Bm D E A
Leave me or I'll be just like the others you will meet
A Bm D E A
They won't act as kindly if they see you on the street
Gbm Dbm

And don't you scream or make a shout

D A/Db Bm E
It's nothing you can do about

A Bm D A/Db Bm
It was there where you came out it's a special lack of grace
D A/Db Bm

I can see it in your face

Gbm D A/Db Bm E A
I can see by what you carry that you come from Barrytown
