

# Bartender Blues

## Tab Chords And Lyrics

### By Vince Gill

Intro - C

Well, I'm just a bartender - And I don't like my work

But I don't mind the money at all

I've seen lots of sad faces - And lots of bad cases

Of folks with their backs to the wall

But I got four walls around me

To hold my life - To keep me from going astray

And a honky tonk angel, to hold me tight

To keep me from slipping away

Well I can light up your smokes - I can laugh at your jokes

I can watch you fall down on your knees

I can close down this bar - Oh and gas up my car

And I can pack up and mail in my keys

But I got four walls around me

To hold my life - To keep me from going astray

And a honky tonk angel, to hold me tight

To keep me from slipping away
