Original Key is capo on 1st fret

Intro – C-Fmaj7-C-Fmaj7

C Fmaj7 C Fmaj7
I'm - sinking inside ----- And the masts and lines are broken down tonight
C Fmaj7 C Fmaj7
I - swallow my pride - But we're drowning in the ocean and it's tearing my heart open baby
G Fmaj7
We're high then we're low, first it's yes then it's no, and we're changing like the tides
G Fmaj7
Yeah, but I want you, I need you, and I guarantee you we'll make it out alive

C Fmaj7
'Cause I don't wanna fight no more - Even when the waves get rough
C Fmaj7
I don't wanna see the day we say we've had enough
C Fmaj7
And I don't wanna fight this war - Bullets coming off our lips
C Fmaj7
But we stick to our guns and we love like battleships - Like battleships
C Fmaj7
Boom, ba-boom, boom, ba-boom, boom, boom - Boom, ba-boom, boom, ba-boom
And the cannon goes
C Fmaj7
Boom, ba-boom, boom, ba-boom, boom, boom - Boom, ba-boom, boom, ba-boom
And the cannon goes

C Fmaj7 C Fmaj7
Bombs - fly through the air - And I know that we're both playing not so fair – Ohhh
C Fmaj7 C
Show, show me you care - I got my white flag up and it's waving
Fmaj7
Cause you know this love's worth saving, baby
G Fmaj7
We're high then we're low, first it's yes then it's no, and we're changing like the tides
G Fmaj7
Yeah, but I want you, I need you, and I guarantee you we'll make it out alive
