Some folks say there ain't no bears in Arkansas - Some folks never seen a bear at all  
G                    Em                    C  
Some folks say that bears go around eating babies raw  
F                    C                    G  
Some folks got a bear across the hall

G                    Em                    C                    F                    C                    G  
Some folks say that bears go around smelling bad - Others say that a bear is honey sweet  
G                    Em                    C  
Some folks say this bear's the best I ever had  
F                    C                    G  
Some folks got a bear beneath their feet

G                    Em                    C                    F                    C                    G  
Some folks drive the bears out of the wilderness - Some to see a bear would pay a fee  
G                    Em                    C  
Me I just bear up to my bewildered best  
F                    C                    G  
And some folks even see the bear in me
