

Beer Can't Fix

Thomas Rhett

Am7 D
You're all alone at a party - You want to dance with somebody

G Em
But you ain't got a clue how to ask

Am7 D
You and your girl had a fight - And now she's saying goodbye

G Em
She ran upstairs and packed her bags

Am7 D
It could be raining' on your perfect vacation

G Em
You could be stressed about your work situation

Am7 D
Ain't gotta listen to me but all I'm sayin'

Am7 D G Em
Ain't nothin' that a beer can't fix - Ain't no pain it can't wash away

Am7 D G Em
From the moment that it hits your lips - Makes those clouds look a little less grey

Am7 D G Em
Oh you could be lonely, or heartbroken - Or hungover from the night before

Am7 D G
Turn that frown into a smile real quick - There ain't nothin' that a beer can't fix

Am7 D
You're on a lake and you're fishin' - It's hot and all that you're gettin'

G Em
Is a little nibble here and there

Am7 D
You're sittin' watchin' your team - Losin' that championship ring

G Em
And you're feelin' like life ain't fair

Am7 D
It could be raining' on your perfect vacation

G Em
You could be stressed about your work situation

Am7 D G Em
Ain't nothin' that a beer can't fix - Ain't no pain it can't wash away
Am7 D G Em
From the moment that it hits your lips - Makes those clouds look a little less grey
Am7 D G Em
Oh you could be lonely, or heartbroken - Or hungover from the night before
Am7 D G
Turn that frown into a smile real quick - There ain't nothin' that a beer can't fix
