```
Em              D
Black is black - I want my baby back
Em                      A
It's grey, it's grey - Since she went away
    D
Oh-oh, what can I do?
      Em          A           D
'Cause I-I-I-I-I, - I'm feelin' blue

Em                  D
If I had my way,  - She'd be back today
Em                      A
But she don't intend - To see me again
     D
Oh-oh, what can I do
      Em          A            D
'Cause I-I-I-I-I, - I'm feelin' blue

Em                  Gbm                      G
I can't choose, - It's too much to lose - My love's too strong
E7                                                  A              Gb B
Maybe if she - Would come back to me - Then I can't go wrong

Em                  D
It's bad it's bad - That I feel so sad
Em                    A
It's time, it's time - That I found peace of mind
     D
Oh-oh, what can I do
      Em          A            D
'Cause I-I-I-I-I - I'm feelin' blue

Em                  Gbm                      G
I can't choose, - It's too much to lose - My love's too strong
