

Blacklist

John Moreland

Capo 2nd fret

Intro - G-C-G-Am-G-C ... C-F-C-Am-G-C

I started up the engine - And headed for the place we met
F C Am G C

I prayed to Sister Juliette - Smoked three packs of cigarettes
F C Am G C

I'm still trying to figure out forgiveness - And keep track of all of my sins
F G C F G
Am G C F

Just tell me you don't love me - And I'll promise I won't
C F C F C Am G C C F C Am G C

Darken your doorstep again

This sure ain't how I thought that it would feel - To finally have made it
F C Am G C

I've arrived alive in Danbury - Damn it's overrated

They put us - back on the blacklist - Well, we never learned why needed saved
F C F G
Am G C F C F C F C

We took a ride trying to hide from the god - Of early marriages and empty graves

Last night New York City - was heaven - Now I'm feeling low
Am G F C G

And how many stones did we roll - Hoping hell would explode
Am G F C F
C F G

We read all the right books - We sang songs we misunderstood
Am G C F C F

And with or without any reason - We did rebellion

F C F C Am G C F C Am G C

What justice we could ...delay

So I'm trying not to think about home - And all that I miss
F C Am G C

I swallowed my pride and I cried - Cause home doesn't exist
F C F G

You said it's now or never - Well I never stop feeling that way

Am G C F C F C F C
We get turned around - our spirits break down - We just lie and say we're okay

Am G F C G
The older I get, you know truth, it gets harder to find

Am G F C F
And famous false prophets get by off of robbing good men blind
C F G

Maybe I don't have it in me - Maybe it doesn't have me in it

Am G C F C F C
And if I don't fly that's fine - Just let me find - a place where I fit
