Tab Chords And Lyrics

G
Well, I think that there's a problem here - Her voice just don't sound right
But I left myself on her answering machine, Said, "I'm back in town tonight"

C
I feel I've stepped out of the wilderness all squint eyed and confused

G
But even babies raised by wolves they know exactly when they've been used

C D G
See when it starts -- To fall apart -- Man, it really falls apart

C D G
Like boots or hearts Oh when they start -- They really fall apart

Fingers and toes, fingers and toes --- Forty things we share
Forty one if you include --- The fact that we don't care

C
Now you've blocked off most of Main Street --- for your faith parade

G
Well, everyone in town now, they probably all agree
I'm lying in the bed I made

C D G
See when it starts -- To fall apart -- Man, it really falls apart

C D G
Like boots or hearts Oh when they start - They really fall apart well fall apart

BREAK G-C-G

G
Now you won't even let me talk to you -- We got some air to clear
We'd probably only agree on one thing anyway
That's what the hell is happening here?

C
Fingers and toes, fingers and toes -- Forty things we share

G
Forty one if you include -- The fact that we don't care

C D G
See when it starts -- To fall apart -- Man, it really falls apart

C D G
Like boots or hearts Oh when they start - They really fall apart well fall apart
