

# Breakdown Chords And Lyrics By Jack Johnson

Intro- C-G6-Am-G ... C-G6-Am-G

C G6  
I hope this old train breaks down  
Am G  
Then I could take a walk around  
C G6 Am G  
And see what there is to see - And time is just a melody  
C G6  
All the people in the street walk as fast as their feet can take  
Am G  
them I just roll through town  
C G6  
And though my windows got a view where the frame I'm looking  
Am G  
through - Seems to have no concern for now - So for now

C G6 Am G  
I need this - Old train to breakdown  
C G6 Am G C-G6-Am-G x2  
Oh please just - Let me please breakdown

C G6 Am G  
This engine screams out loud - Centipede gonna crawl westbound  
C G6  
So I don't even make a sound  
Am G  
Cause it's gonna sting me when I leave this town  
C G6  
All the people in the street that I'll never get to meet  
Am G  
If these tracks don't bend somehow

C G6 Am  
And I got no time that I got to get to where I don't need to be -  
G  
So I

C G6 Am G  
I need this - Old train to breakdown  
C G6 Am G C  
Oh please just - Let me please breakdown ..( repeat ch)

G F C G F C  
I wanna break on down - But I cant stop now  
G F C G F  
Let me break on down  
C G6  
But you cant stop nothing if you got no control  
Am G  
Of the thoughts in your mind that you kept in you know  
C G6  
You don't know nothing but you don't need to know  
Am G  
The wisdoms in the trees not the glass windows  
C G6  
You cant stop wishing If you don't let go  
Am G  
But things that you find and you lose and you know  
C G6  
You keep on rolling put the moment on hold  
Am G  
The frames too bright so put the blinds down low

Ch
