

Bring Me Some Water

Lyrics And Tab

(By Melissa Etheridge)

Intro - G

G
Tonight I feel so weak
But all in love is fair
I turn the other cheek
I feel the slap and the sting of the foul night air

C
And I know ... you're only human

G
And I haven't got talking room

C
But tonight while I'm making excuses
D D7
Some other woman - is making love to you

G F C
Somebody bring me some water
G F C
Can't you see I'm burning alive
G F C
Can't you see my baby's - got another lover

G F C
And I don't know how - I'm gonna survive

G F C
Somebody bring me some water

G F C
Can't you see it's out of control
G F C
Baby's got my heart - and my baby's got my mind

D
But tonight the sweet Devil
D7 G
Sweet Devil's got my soul

When will this aching pass
When will this night be through
I want to hear the breaking glass

I only feel the steel of the red hot truth
C
And I'd do anything - to get it out of my mind

G
I need some insanity - that temporary kind

C
Tell me how will I - ever be the same
D D7

When I know that woman - is whispering your name
