

Bring On The Rain

Eddie Money

Intro - Fsus2 - G - Fsus2 - G

Fsus2 G
Well the time has passed now it seems - When I sleep I never dream, I- I wonder why
Fsus2 G
I've got the chance, had confidence - When I was a young man now I - I didn't cry
Fsus2 G
Those sunny days never pass you by - California and the good, good life, I loved it so
Fsus2 G
But like you too I get the blues and now I say now, now, now me, me and the rain, yeah we
know

C F G
Bring on the rain - bring on the rain - bring on the rain
C F G
I love the rain - I, I love now - I love the rain

Fsus2 G
The cloudy skies can bring you back your mind can wander off the track you head for home
Fsus2 G
The streets are empty everywhere - That I not and no one cares now you're all alone
Fsus2 G
They might take this they might take that - Still it doesn't change the fact that you get by
Fsus2 G
Self-pity is the thing that I avoid now 'cause you see it makes makes - everybody, everybody
cry now I say

C F G
Bring on the rain - bring on the rain - bring on the rain
C F G
I need the rain, I - I love now - I love the rain

C F G
Those sunny skies all look the same - Man i'm looking for a change, i, i want some rain now
C F G
Ooh, bring on the rain - bring on the rain - bring on the rain

Fsus2 G
Well now rain can give you some sort of peace of mind
Fsus2 G
A passing storm always takes its time
