

Build Me Up Buttercup Tab Chords And Lyrics By The Foundations

Intro – C-E-F-G-C-E-F-G

Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby
When you say you will (say you will) but I love you still
I need you (I need you) more than anyone, darlin'
You know that I have from the start
So build me up (build me up) Buttercup, don't break my heart
I'll be over at ten, you told me time and again
But you're late, I wait around and then (bah-dah-dah)
I went to the door, I can't take any more - It's not you, you let me down
again
(Hey, hey, hey!) Baby, baby, try to find
(Hey, hey, hey!) A little time and I'll make you mine - (Hey, hey, hey!)
I'll be home - I'll be beside the phone waiting for you Ooo-oo-oooooo-oo-ooo
Why do you build me up (build me up) Buttercup, baby
Just to let me down (let me down) and mess me around
And then worst of all (worst of all) you never call, baby

When you say you will (say you will) but I love you still
