

Burnin It Down

Tab Chords And Lyrics

By Jason Aldean

Capo on 1 st fret (optional)

Intro- Dm-A#-F-C (x 2)

You slip your finger through the tear in my t-shirt

You stirrin' up dirty - in the back of my mind

You keep on flirtin' - cause you know that it's workin'

You stuck in my head girl - writing the lines

Couldn't sing this song without you if I tried

Let's light it up like it's our last night

We're just hanging around - Burnin' it down - Sippin' on some cold Jack

Daniel's - Jammin' to some old Alabama with you baby laying right here

Naked in my bed - I'm just doing my thing - You love it when I sing

Say it makes you feel like an angel - We about to get a little tangled up

Right about now - So girl let's keep burnin' it down

Burnin' it down - Burnin' it down

Girl when you want it, you know that I'm on it

You know that I love lovin' up on you

Let's hit the switch and let our shadows dance

And light it up like it's our last chance
