

# Burning Bridges - Collective Soul

Capo 4th fret (original key)

Intro - G-F-C-D ... G-F-C-D

G                    F                    C                    D  
 Been thinking a lot - about my ways - Guess I'm trying baby  
 G                    F                    C                    D  
 Been searching out - a way to say - Guess I'm sorry baby  
                   C            D                    C            D  
 This time - I give all to you it's time - I prove something to you so

G            D                    Am  
 I'll lift you up and hold you near  
                   C            G6 Am7 G  
 Warm your heart and calm your fears  
                   D                    Am  
 See I don't want to lose this love I found  
                   C    G6 Am7 G F C D  
 So I'll burn my bridges burn them down

G                    F                    C                    D  
 Been hurting a lot - without you here - Guess I need you baby  
 G                    F                    C                    D  
 Been sleeping upon - a bed of tears - Guess I miss you baby  
                   C            D                    C            D  
 This time - I give all to you it's time - I prove something to you

G            D                    Am  
 So I'll lift you up and hold you near  
                   C            G6 Am7 G  
 Warm your heart and calm your fears  
                   D                    Am  
 See I don't want to lose this love I found

C G6 Am7  
So I'll burn my bridges burn them

C G C G  
Take all my world and shake it - Take my dear heart and embrace it  
C G Em C D G  
Take what I say and listen my world's changing - changing for you
