

# I Can't Break It To My Heart

## Tracy Lawrence

Capo on 3rd fret is the original key

Intro - D-G ... D-G

D Em  
I never felt as helpless - as I do today  
G A7  
My world just fell around me - as I watched you drive away  
D Gbm  
There's nothing left between us - somehow we've grown apart  
G A  
Cause I've got it through my head - I just can't break it to my heart

D Bm  
I can't believe this is me - on the hurting side of pain  
G A  
Sifting through the ashes - still trying to find a flame  
Gbm G Bm  
But the flame has turned to embers - left glowing in the dark  
G A7 D G  
I've got it through my head - I just can't break it to my heart

D Em  
If I could Lord knows I would - spin back the hands of time  
G A7  
And piece these scattered memories - that are cluttered in my mind  
D Gbm  
Pick up where we left off - and make a brand new start  
G A  
I've got it through my head - I just can't break it to my heart

Ch  
G A D  
Oh I've got it through my head, I just can't break it to my heart  
G D  
I just can't, I just can't break it to my heart  
G D G D  
I just can't, I just can't break it to my heart
