Intro D-G-D-G ... D-G-D-G

Well I woke up to the sound of silence and cries
Were cutting like knives in a fist fight
And I found you with a bottle of wine your head in the curtains
And heart like the 4th of July
You swore and said we are not - We are not shining stars
This I know - I never said we are
Though Ive never been through hell like that
Ive closed enough windows to know you can never look back
If you're lost and alone - Or you're sinking like a stone - Carry on
May your past be the sound of your feet upon the ground
And carry on ---- Carry on, carry on
So I met up with some friends at the edge of the night - At a bar off 75
And we talked and talked about how our parents will die
All our neighbours and wives
But I like to think - I can cheat it all
To make up for the times - I've been cheated on
And it's nice to know - when I was left for dead

Gbm G A
I was found and now I don't roam these streets I am not the ghost you are
to me.
