

# Chasin You

## Morgan Wallen

Intro - E-D-C-G ... Em-D-C-G

Em D C  
We used to chase that Chattanooga fray - Couple a kids in a Chevrolet  
G Em  
Catch a little air when we cross the tracks - Sipping on something from a paper sack  
D C  
You hang your shirt on that maple lamp - Slipping through the moon to the river bend

Wasn't very long I was jumping in, jumping in - I guess I'm  
Cmaj7  
Still doing now- what I was doing then

Em D C G Em D C G  
Chasing you ---- like a shot of whiskey - Burning going down- burning going down  
Em D C G  
Chasing you----- like those goodbye taillights  
Em D C G  
Heading west to anywhere out of this nowhere town  
Em D C G  
Chasing that freedom, chasing that feeling that got gone too soon  
Em D C G  
Chasing that you and me I only see in my rear view  
Em D C G  
Hell I'm laying every night holding someone new  
Em D C G Em D C G  
Still chasing you - still chasing you

Em D C  
You always used to talk about L.A - I heard you got as far as Santa Fe  
G Em  
Oh wait you know I tried to track you down - I only got as far as guitar town  
D C  
Singing about a girl I used to know, used to know used to know that I  
Cmaj7  
Haven't given' up, I'm just on your radio

Ch
