Chilly Winds
Chords & Lyrics – The Kingston Trio

Capo on 4th fret

Intro – G-Am-G

Am D7 G
I'm goin' where them chilly winds don't blow
Am D7 G C
Gonna find a true love - that is where I want to go
Am D7 G
Out where them chilly winds don't blow

Am G
Sing your song - sing it soft and low
Am D7 G C
Sing it for your baby - and then I'll have to go
Am D7 G
Out where them chilly winds don't blow

Am G
Wish I was a headlight - on a westbound train
Am D7 G C
I'd shine my light on - cool Colorado range
Am D7 G
Out where them chilly winds don't blow

Am G
If you're feelin' lonely if you're feelin' low
Am D7 G C
Remember that I loved you - more than you will ever know

Am D7 G
Goin' where…them chilly winds don't blow

Am G
I'm leavin in the spingtime - won't be back til fall
Am D7 G C
If I can't forget you – I might not come back at all
Am D7 G
Out where them chilly winds don't blow
Am D7 G
Out where them chilly winds don't blow
Am D7 G
Out where them chilly winds don't blow
