## Chords And Lyrics

### By Radney Foster

Intro- D-D7-G

G C  
She's in some honky tonk tonight I know  
D D7 G  
She's dancing where the music's loud - and lights are low  
C  
In a crowded bar - she likes to hang around  
D D7 G D7  
And as long as there's a honky tonk - she'll never settle down

G C  
So - close up -the honky tonks - lock all the doors  
D G  
Don't let - the one I love - go there - anymore  
C  
Close up - the honky tonks - throw away the key  
D D7 G  
And - maybe - the one I love will - come back to me

Break - G-C-D-D7-G

G C  
I wish I had the power - to turn back time  
D G  
And live again the hours - when she was all mine  
C  
Lord It hurts to see her running - with that crowd downtown  
D D7 G D7  
But as long as there's a honky tonk - she'll never settle down

CH

D D7 G  
And - maybe - the one I love will - come back to me
