## Tab Chords And Lyrics

### By The Nitty Gritty Dirt Band

Intro – C-Dm-G-C

C Dm  
Looking out the window of this Hollywood hotel  
G C  
You'd never know that it was Christmas Eve  
Dm  
The billboards and the neon took the place of silver bells  
G C  
And the temperature is 84 degrees  
Dm G  
I can hear the traffic - on the crowded strip below  
Dm G  
As the palm trees poke their heads above the scene  
C Dm  
There's not a single reindeer and it hardly ever snows  
G C  
And Santa drives a Rolls Royce limosine  
A+ F C  
But all along the Rockies you can feel it in the air  
A+ F G  
From Telluride to Boulder down below  
C Dm  
The closest thing to heaven on this planet anywhere  
G C  
Is a quiet Christmas morning -- in the Colorado snow

BREAK – C-Dm-G-C

C Dm  
I remember Christmases when I was just a boy  
G C  
In the morning I would run to see the tree  
Dm  
And the carolers on the hillside sang their songs of Christmas joy  
G C  
Well, I always thought they sang them just for me

Dm G  
Now the sun is setting in the California sky  
Dm G  
And I can't find the spirit anywhere  
C Dm  
So I think it's time for me to tell Los Angeles goodbye  
G C  
I'm going back home to look for Christmas there

A+ F C  
But all along the Rockies you can feel it in the air  
A+ F G  
From Telluride to Boulder down below  
C Dm  
The closest thing to heaven on this planet anywhere  
G C Dm  
Is a quiet Christmas morning -- in the Colorado snow
