

# Couldn't Get It Right

## Tab Chords And Lyrics

### By The Climax Blues Band

Intro Bm

Bm A G  
Time was drifting - This rocker got to roll  
Bm  
So I hit the road and made my getaway  
A G  
Restless feeling - really got a hold  
Esus E  
I started searching for a better way  
D A Em  
But I kept on looking for a sign In the middle of the night  
G D A  
But I couldn't see the light - No I couldn't see the light  
D A Em  
I kept on looking for a way To take me through the night  
C Esus E  
I couldn't get it right - I couldn't get it right  
Bm A G  
LA fever - made me feel alright  
Bm  
But I must admit it got the best of me  
A G  
Getting down - so deep I could have drowned  
Esus E  
Now I can't get back the way I used to be

#### CH

**Break** - Bm-A-G—Bm-A-G-Esus-E

Bm A G  
New York City - took me with the tide  
Bm  
And I nearly died from hospitality  
A G  
Left me stranded - took away my pride  
Esus E  
Just another no account fatality  
Ch x 2 End on Esus - E
