

Crazy Over You

By Foster And Lloyd

Intro - E-A-E-B-E

Can't you tell, by the spell that I'm under

A

This fella's wonderin' if you'll let me get next to you

E

Is there a chance of gettin' through

B

A

Well you never seem to notice me no matter what I do

E

And everybody in town knows I'm crazy over you

Does it show - there's no cure for your kissin'

A

Doctor says this is the last thing I'll ever do

E

My heart will break right in two

B

A

Well you never seem to notice me no matter what I do

E

And everybody in town knows I'm crazy over you

A

E

Everybody knows that I've been after you girl - Come on sweet baby let's give it a whirl

A

Gb

B

Give it up darlin' I'll make you all mine - And we can be together lovin' all the time

Intro - E-A-E-B-E

Can't you tell - by the spell that I'm under

A

This fella's wonderin' if you'll let me get next to you

E

Is there a chance of gettin' through

B

A

Well you never seem to notice me no matter what I do

E

And everybody in town knows I'm crazy over you

B

A

You turn your pretty head away I'm acting like a fool

E

And everybody in town knows I'm crazy over you
