

Cry Myself To Sleep

Tab Chords And Lyrics

By The Judds

Capo on 2rd fret

Intro - A - C - D (x4)

I've tried so hard - You know I can't do more
It's the turn of the card - It's the close of the door
The lies you told - You know they hurt so deep
So I'll go home - And cry myself to sleep
And day after day - You've been treating me bad
Friends come up and say - "Why do you take all that?"
'Cause it's making me moan - And it's making me weep
So I'll go home - And cry myself to sleep
You play at love like a child plays games
One day I'm in then I'm out again
You change the rules and I just can't win
You've broken me now so I give in yeah
I've been through worse -- But I don't know what
Oh, I gave to you -- Everything that I got
So take this heart -- Or what's left to keep
And I'll go home - And cry myself to sleep
So I'll go home and cry myself to sleep - Cry myself to sleep (x 4)
