

Don't Let Go

Chords And Lyrics

By SpawnBreezie

Original key is Capo on 2nd fret or 3rd fret (based on what version you play)

Intro – C-C7-F-C-G7-C-F-C

Take my hand and don't let go – I'm addicted - to your loving
C C7 F
But if you should know - how my love goes -then baby stay close
D7 G
Take my hand and don't let go – I'm addicted - to your loving
C C7 F
But if you should know - how my love goes -then baby stay close
D7 G
You won't ever have to cry - so wipe them tears from your eyes
C c7 F
As long as you're by my side - you won't shed no tears
C G
Cause everything will be just fine - as long as you don't let go
C
Don't let go – Don't let go
C C7 F
Everything will be just fine as long as you stay by my side and don't let go
C G C F C
Take my hand and follow me - I'll take you down a path so you can see
C c7 F
Of what this truly means - you are my queen - I'm down on my knees
D7 G
I'm here to serve you my dear love - anything you ask, baby, its done
C C7 F
I'll cater to you, anything you need - but baby please-
C G C
As long as you don't let go
