Barhoppers, churchgoers - Marlboro - Light smokers
D C
Blue collar, red voters - Population 1,009
G Em
Past year's - cheerleaders - Old men - fill the bleachers
D C
Skeptics, true believers all gathered on a Friday night
Singing to the stars and stripes

C G D
We're a drinking town with a football problem

C G D
With two main things we all have in common

Em C G
We love 'em both and don't want to solve 'em

D C G
We're a drinking town with a football problem

Em C G Em D G
Hey y'all, singin' hey y'all, hey hey y'all

G Em
Barn burners, nail biters - Shift workers, firefighters
D C

Prom queens, outsiders all livin' for the love of the game

G Em
We still tell - the same old story - Relive - former glory

D C
Went to state - in '94 we got a trophy in the school hallway

The kids pass it by each day

C G D
We're a drinking town with a football problem

C G D
With two main things we all have in common
 Em C G
We love `em both and don't want to solve `em
 D C G
We're a drinking town with a football problem

Break – Em-C-G-Em-D-C

 Em C G
When we win, we celebrate - And when we lose, we commiserate
 D
Win or lose - we tie - one on

 C G D
We're a drinking town with a football problem
 C G D
With two main things we all have in common
