I can tell that you love her, By the look in your eyes now
She's the rose of the desert - In old Mexico

And the fire I feel for the woman I love - Is driving me insane.
Knowing she's waiting - And I can't get there
And God only knows that I've racked my brain, To try to find a way

And I dream in evening, she brings me wine
Just a poor man's daughter - From Puerto Penasco
South of the border - in old Mexico
Evangelina I miss you so - I miss you so
