G            D            C                    D            G                    D  
 Every morning there's a halo hangin from the corner of my girlfriend's four post  
 C    D  
 bed

G            D            C                    D            G                    D  
 I know it's not mine but I'll see if I can use it for the weekend or a one-night  
 C    D  
 stand

                  Gmaj7 C                                    Gmaj7 C  
 Couldn't understand ----- how to work it out

                  Gmaj7                                    C                                    Gmaj7                    C D  
 Once again as predicted left my broken heart open and you ripped it out  
 G                                    D            C                                    D            G            D            C D  
 Something's got me reeling - topped me from believing - turn me around again

G                                    D            C                                    D            G  
 Said that we can do it ---- you 'know I want to do it again

Gmaj7 C                                    Gmaj7 C

Oh ----- (Every Morning) Ohhhhhhhh

Gmaj7 C                                    Gmaj7 C

Oh ----- (Every Morning) Ohhhhhhhh

Oh - (Every Morning when I wake up) (Shut the door baby, don't say a word)

Oh (She always rights wrongs, she always rights)

(Shut the door baby, Shut the door baby)
