Tab Chords And Lyrics
By Dan Seals

Capo on 2nd fret
Intro – D-D/Gb-Bm-G

D       G       D
Saw your picture on a poster, in a cafe out in Phoenix
Bm       A       G
Guess you're still the sweet heart of the rodeo
D       G       D
As for me and little Casey, we still make the circuit
Bm       A       G
In a one horse trailer and a mobile home
Em               A7sus  A7
And she still asks about you all the time
Em               A7sus  A7
And I guess we never even cross your mind

D       D/Gb       G       D
But oh sometimes I think about you - And the way you used to ride out
A7sus               A7
In your rhinestones and your sequins - With the sunlight on your hair
D       D/Gb       G       D
And oh the crowd will always love you - But as for me I've come to know
A7       D
Everything that glitters is not gold

D       G       D
Well old Red he's getting older - and last Saturday he stumbled
Bm       A       G
But you know I just can't bear to let him go
D       G       D
Little Casey she's still growing - and she's started asking questions
Bm       A       G
And there's certain things a man just doesn't know
Em               A7sus  A7
Her birthday came and you never even called
Em               A7sus  A7
I guess we never cross your mind at all

But oh sometimes I think about you - And the way you used to ride out
In your rhinestones and your sequins - With the sunlight on your hair
And oh the crowd will always love you - But as for me I've come to know
Everything that glitters is not gold

Everybody said you'd make it big someday
And I guess that we were only in your way
But someday I'm sure -- your gonna know the cost
Cause for everything you win there's something lost

But then sometimes I think about you - And the way you used to ride out
In your rhinestones and your sequins - With the sunlight on your hair
And oh the crowd will always love you - But as for me I've come to know
Everything that glitters --- is not gold
