

Eye Of The Hurricane

Chords And Lyrics

By David Wilcox

Capo 1st fret (optional)
Drop D tuning

Intro - D-G-A ... D-G-A

D Bm
Tank is full - switch is on - Night is warm cops are gone
G A7sus A7
Rocket bike is all her own - It's called a hurricane
D Bm
She told me once it's quite a ride - she said there's this place inside
G A7sus A7
Where if you're moving you can hide - Safe within the rain

G Gbm A D
She wants to run away - But there's nowhere that she can go
G Gbm Em
Nowhere the pain won't come again
G Gbm A D
Now she can hide - hide in the pouring rain
Em A7 D G A
She rides the eye of the hurricane

D Bm
Tell the truth - explain to me - How you got this need for speed
G A7sus A7
She laughed and said - Might just be The next best thing to love
D Bm
Hope is gone - and she confessed - When you lay your dream to rest
G A7sus A7
You can get what's second best - But it's hard to get enough

G Gbm A D
She wants to run away - But there's nowhere that she can go
G Gbm Em
Nowhere the pain won't come again
G Gbm A D
Now she can hide - hide in the pouring rain
