

# Eyes Of Blue

## Paul Carrick

Original key = no capo

Intro - C-Am-F-G .... C-Am-F-G

C            Am                            F            G                            C  
I want to know - how does it feel - behind those eyes of blue

   Am                            F            G                            C  
You've made your mistakes - and now your heart aches - behind those eyes of blue

Break -- C - Am- F- G  
( Oh yeah)

C            Am                            F            G                            C  
People may say - you've had your chance - and let it slip away

   Am                            F            G                            D#  
But hard as they try - there's a dream that won't die - behind those eyes of blue

   Cm                            G#            A#                            D#  
Maybe once in a while - There's a trace of a smile - Behind those eyes of blue

   Cm                            G#            A#                            C  
But it's painfully clear - There's a river of tears - Behind those eyes of blue

Break - C-Am    F                            G  
   Oh --- behind those eyes

C            Am    F    G  
Behind those eyes - of blue -behind those eyes

G#                            A#                            D#  
You know life is too short - For compromising

G#                            A#                            D#  
Take a hold of your dream - And realize it

C    Am                            F            G                            C  
You know there's nothing left - to stand in your way - except yourself and I know

   Am                            F            G                            C  
Though your heart's full of pain - that a hope still remains - Behind those eyes of blue

C- Am --- F    G  
Ohhh    behind those eyes - keep looking
