

Farmers Daughter

Chords & Lyrics – By Rodney Atkins

Capo 4th fret

Intro – D-A-D-A

 D G
Well I heard he needed some help on the farm

 A D
Somebody with a truck and two strong arms

 A G
Not scared of dirt - and willin' to work - till the sun goes down

 D G
So I pulled up and said I'm your man

 A D
I could start right now and we shook hands

 A
He said the fence needs fixin' - the peaches need pickin'

 G
And the cows need bringin round

 D A
I was haulin hay I was feedin the hogs and that summer sun had me

 Em
sweatin like a dog so I cooled off in the creek

G A
Then it was back to work in the daggum heat

D
I was cussin' out - thinkin bout quitin'

A
Lookin' back now I'm sure glad I didn't

Em D/Gb
Cuz just when I thought it couldn't get no hotter

G A D A
I caught glimpse of the farmer's daughter

D G A
She was just gettin' home from Panama city she was all tanned up and
D

my kinda pretty

A G
When her eyes met mine I was thinkin that I sure love my job

D G
As the days got shorter our talks got longer

A D
The kisses got sweeter and the feelings got stronger so we'd hop in the

A G
truck and get all tangled up every chance we got

D A
We were down by the river all night long when the sun came up I was
sneakin' her home

Em G A
And draggin my butt to work - with the smell of her perfume on my shirt

D A
I'd be on the tractor she'd be on my mind with that sun beatin' down on
this back of mine

Em D/Gb
Just when I thought it couldnt get no hotter

G A
I fell in love with the farmer's daughter

Em A Em A
We got married last spring - Woah and there ain't no better life for me

D A
I'm still haulin' hay - and feedin' the hogs and that summer sun has me
Em

sweatin' like a dog so I cool off in the creek

G A
And she brings me outta glass of sweet ice tea

D A
I'm on the tractor - shes on my mind - and I can't wait till its quitin' time

Em D/Gb
and just when I think it can't get no hotter

G A D A
I come home to the farmer's daughter – yeah

D A D
The farmer's daughter
