It started with a smile and a brush of your hair  
Though we got a little close, there with a slow slow dance  
G D  
How the world seems to spin around just for me and you

It took us by surprise when it hit us in our hearts  
Such unbridled passion from an innocent start  
G D  
We were stunned us for awhile but now we know what we're gonna do  
A D D7  
Gonna make it last - gonna make some dreams come true

We've been feelin' the feelin' - from a shine up above

We've been steadily steelin' every moment we can 'cause we can't get enough  
G D  
We've been feelin' the feelin' - flyin' on the wings of a dove  
A D Dsus D Dsus  
We've been feelin' the feelin' - and the feelin' is love

d  
Well the clouds rolled back - and the sun broke through  
And the earth seemed to move when I whispered to you  
G D  
Darlin' we woke up this feelin' from it's lonely sleep
