

# Floating Bridge

## The Allman Brothers

Intro - G

G

Well, I never will forget that floating bridge

C7

G

Well, I never will forget that floating bridge

Well, I never will forget that old floating bridge

D7

G

Tell me five minutes underwater, when I was hit

When I was going down, I throwed up my hands

C7

G

Yeah, when I was going down, I throwed up my hands

Now when I was going down, I throwed up my hands

D7

G

Lord, please, please take me on dry land

Now they carried me out the water and they laid me on the bank

C7

G

Now they carried me out the water and they laid me on the bank

They carried me out the water, they laid me on the bank

D7

G

'Bout a gallon of muddy water I had drank

Now they dried me off and they laid me on the bed

C7

G

Now they dried me off and they laid me on the bed

Now they dried me off, they laid me on the bed

D7

G

Just like muddy water running through my head

Break - G-C7-G-D7-G

G

Now, my mother often taught me, don't you be no bum

C7

G

But my mother often taught me, don't you be no bum

But my mother often taught me, son, don't you be no bum

D7

G

Go somewhere, settle down, find your someone

Now the people standing on the bridge was screaming and crying

C7

G

Well, the people on the bridge was screaming and crying

Now the people on the bridge was standing screaming and crying

D7

G

Lord, I thought sure enough I was dying

Now I never will forget that floating bridge

C7

G

Well, I never will forget that floating bridge

I never will forget that old floating bridge

D7

G

Tell me, five minutes underwater when I was hit

D7

G

Tell me, five minutes underwater when I was hit
