

Fooled Around And Fell In Love By Elvin Bishop

Lyrics And Tab

Intro D - Gbm - C - G (x2)

D Gbm
I must've been through about a million girls
C G
I love'em and I leave'em alone
D Gbm
I didn't care how much they cried, no sir,
C G
Their tears left me cold as a stone
D Gbm
But then I fooled around and fell in love
C G
I fooled around and fell in love
D Gbm
I fooled around and fell in love
C G
I fooled around and fell in love
D Gbm
It used to be when I'd see a girl that I liked
C G
I'd get out my book and write down her name
D Gbm
But when the grass got a little greener on the other side
C G
I'd just tear out that page
