

# Fools Paradise

## Buddy Holly

Capo 3rd fret = original key (optional)

Drop D Tuning (optional)

Intro - D

You took me up to heaven - when you took me in your arms

G

I was dazzled by your kisses - blinded by your charms

A

D

I was lost - (I was lost) in a fool's paradise (fools paradise)

A

D

Good and lost (good and lost) - in a fool's paradise

When you told me that you loved me - I gave my heart to you

G

And I wondered if there could be - any truth in love so new

A

D

I was lost - (I was lost) in a fool's paradise (fools paradise)

A

D

Good and lost (good and lost) - in a fool's paradise

G

D

The whole world was my kingdom - and your love the gem in my crown

E

A

Then I saw you glance at a new romance - and my love came tumbling down

D

Well you treat me kinda coolish - and may never let me know

G

That you think I'm being foolish - because I love you so

A

D

I'll still get lost (still get lost) - in a fool's paradise (fools paradise)

A

D

Lost with you (lost with you) - in a fool's paradise

Break - G-D-E-A

D

Well you treat me kinda coolish - and may never let me know

G

That you think I'm being foolish - because I love you so

A

D

I'll still get lost (still get lost) - in a fool's paradise (fools paradise)

A

D

Lost with you (lost with you) - in a fool's paradise

A

D

D7

Lost with you (lost with you) - in a fool's paradise
